- **No travel fee will be charged for Boksburg. For any other areas, a R6 per km fee will apply. Tollgates charged extra if applicable.**
- The remaining 50% payment is due at least 4 weeks before the wedding - cash or electronic transfer and no cheques. I will issue a receipt as proof of payment. If I do not receive payment by then, I will not come out on your wedding day. I found that most brides prefer this, as they will be too busy on the day to run around with cash.
- **Minimum booking for weddings outside the East Rand area is Bride plus 2 additional ladies.**
